ST19 LED Color Tunable Wi-Fi Bulb

CLEANLIFE®
SMART

Update your home's lighting with the CLEANLIFE® LED ST19 Color Tunable Bulb. Simply connect the fixture to Wi-Fi and use the CLEANLIFE® Smart App and/or your personal voice assistant to easily control features such as brightness, color temperature and on/off scheduling. Our Color Tunable Bulbs are also hub free! Unlike competitor models, there is no need to connect to a hub making this the ultimate solution in smart home lighting.
